

## **LIONS DIABETES AWARENESS FOUNDATION OF MD 35, INC.**

### **Diabetes Progressive Life Membership**

#### **Mission Statement**

**To raise public awareness of the problems associated with diabetes.**

**To work with Lions Clubs in MD 35 to screen for diabetes to facilitate early diagnosis and treatment to prevent blindness.**

**To obtain grants and donations in order to further these purposes.**

The Lions Diabetes Foundation of MD 35 provides FREE diabetes screening and education material in the prevention of the leading cause of blindness in adults by identifying and referring potential diabetics. We also support the Florida Diabetic Kids Camps.

Lions and Lions Clubs can support the Foundation with a Progressive Life Membership for \$100 which goes toward the Foundation mission. This Progressive Life Membership includes an award certificate and a progressive pin. These funds go toward continued support of Free Diabetes Screening and education on prevention of the complications of diabetes.
